

Dear Senior Parents,

I am organizing the senior slide show this year and as Editor of the annual I'm also in charge of collecting senior photos and senior dedication ads this year. We're excited to be offering an all color annual for 2010; however, we will only be selling 200 instead of our usual order of 300. We anticipate selling out early in the year, so we are giving seniors and their parents a special early warning to buy your annuals early so that you don't miss having an annual from your senior year.

I will need your senior pictures and your pictures for your senior ads before we leave for Thanksgiving vacation on **Nov. 25, 2009**. This means that all pictures and text for your child's ad needs to be turned in by this date. You can contact me if you're having trouble finding a photographer or working out funding for a senior photo.

Here is the information for the senior ads:

- ✓ Full page: \$200.00 Up to ten photos with a written message if desired. A simple phrase, ie. Good Luck! Or a longer message is possible too. We'll design it for you, no need to do that. If you can e-mail me photos and your written message, that's the best
- ✓ ½ page: \$140.00 Up to five photos
- ✓ ¼ page: \$90.00 Up to three photos

I will need all of the photos for the senior slide show by **March 26**, the last day before we go to spring vacation. We'd like a current photo, a baby photo and one from the middle years.

If possible please send me high resolution digital jpeg files of your photos by email. My address is kansascitychick@hotmail.com.

If you need to give us photographs to be scanned, I have a mailbox in the high school main office. Items can be left there and I will return them to you through your student or however you communicate to me in written instructions enclosed with your envelope. Thanks your attention to these details of your student's important final year of school with the Omak School District.

Katelyn M. Coppock
Omak High School Annual Editor in Cheif
